

FCC and Industry Canada Compliance Statement

This device complies with FCC Rules Part 15 and with Industry Canada license-exempt RSS standard(s). Operation is subject to two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference that may be received or that may cause undesired operation.

Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes : (1) l'appareil ne doit pas produire de brouillage, et (2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This Class B digital apparatus complies with Canadian ICES-003.

Cet appareil numérique de la classe B est conforme à la norme NMB-003 du Canada.

Changes or modifications to this equipment not expressly approved by the party responsible for compliance (Triple+ Ltd.) could void the user's authority to operate the equipment.

To comply with FCC and IC RF exposure compliance requirements, the device should be located at a distance of at least 20 cm from all persons during normal operation. The antennas used for this product must not be co-located or operated in conjunction with any other antenna or transmitter.

Le dispositif doit être placé à une distance d'au moins 20 cm à partir de toutes les personnes au cours de son fonctionnement normal. Les antennes utilisées pour ce produit ne doivent pas être situées ou exploitées conjointement avec une autre antenne ou transmetteur.

WALLY LIMITED WARRANTY

FOR ONE YEAR from the date of sale this Product has a warranty against defects in materials or workmanship when it is correctly connected, operated and maintained according to all supplied instructions. If a defect arises and a valid claim is received WITH PROOF OF SALE within the Warranty Period, then as your sole remedy (and Wally Labs' sole liability), Wally Labs will at its option either 1) replace the Product with a new product that is functionally equivalent to the original, or 2) repair the defect at no charge, using new or refurbished replacement parts, in each case within 30 days following receipt of the returned Product. A replacement product or part assumes the remaining warranty of the original Product. When a Product or part is exchanged, any replacement product or part becomes your property and the replaced Product or part becomes Wally Labs' property. This warranty does not cover the batteries, which are expendable parts that can wear out from normal use within the warranty period.

This warranty covers ONLY defects in materials and workmanship of the Wally Valve, and will NOT cover:

1. Damage to or failure of the Wally Valve if it is not correctly connected, operated or maintained according to all supplied instructions.
2. Damage to or failure of the Wally Valve resulting from accident, immersion, alteration, exposure to extreme conditions, abuse, misuse, or use for other than its intended purpose.
3. Damage to or failure of parts or systems resulting from modifications made to the Wally Valve.
4. Damage to or failure of the required ISO5211 ball valve, necessary to the function of the Wally Valve, yet sold separately. Any issue with the ISO5211 ball valve should be directed to the manufacturer.

WARRANTY SERVICE

To obtain the warranty coverage stated above, return the Product with proof of sale to the retailer from which it was purchased. Please be prepared to describe the nature of the problem you are experiencing with the product. Any claim under this Limited Warranty must be submitted to the retailer from which it was purchased before the end of the Warranty Period.

Disclaimer of implied warranties; limitation of remedies

Customer's sole and exclusive remedy under this limited warranty is Product repair or replacement as provided herein. Implied warranties, including warranties of merchantability or fitness for a particular purpose, are limited to one year or the shortest period allowed by law. EXCEPT FOR BODILY INJURY, WALLY LABS SHALL NOT BE LIABLE FOR (I) ANY LOST PROFITS, COST OF PROCUREMENT OF SUBSTITUTE PRODUCTS, OR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES, OR (II) ANY AMOUNTS IN EXCESS OF THE PURCHASE PRICE FOR THE PRODUCT, IN EACH CASE WHETHER RESULTING FROM THE USE OF OR INABILITY TO USE THIS PRODUCT, EVEN IF COMPANY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. Some states and provinces do not allow the exclusion or limitation of incidental or consequential damages, or limitation on the duration of implied warranties of merchantability or fitness, so these exclusions or limitations may not apply to you.

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

Wally Labs LLC, Seattle, WA 98105.
